

Donation Form - Energy Innovation Co-operative Ltd: Southern CORE (Community Owned Renewable Energy) Fund

Energy Innovation Co-operative Ltd (ABN 18 807 187 154) supports small rural communities in and around Bass Coast, South Gippsland and surrounds to install renewable energy and energy efficiency measures, helping to cut their power bills and put vital investment back into their primary activities. Your donation will help build the **Southern CORE (Community Owned Renewable Energy) Fund**.

Community groups can apply for no-interest loans to fund solar panels, solar hot water or energy efficiency measures. Interest-free loans are paid back to the Fund from energy savings, to support future projects. Every dollar donated is invested over and over again. We aim to extend this activity into the Latrobe Valley, and supplement it with small grants to the smallest and most-in-need groups as the Fund builds. The Co-op is a registered charity with the ACNC.

The Foundation for Rural & Regional Renewal (FRRR) (ABN 27 091 810 589) is a charitable foundation based on partnerships between philanthropy, community, government and business. FRRR partners with Energy Innovation Co-operative to assist in the fundraising for the Southern CORE Fund as a charitable project in line with FRRR's purposes, through a Not-for-Profit Fundraising Account. Donations made into the FRRR Public Fund towards the Southern CORE (Community Owned Renewable Energy) Fund are tax deductible because of FRRR's tax status. www.frrr.org.au
