

Lockhart & District Historical Society
OFFICIAL DONATION FORM
Double the Space... Double the History Appeal

The Lockhart & District Historical Society Museum interprets the history, identity, people and places of the district, past and present. This is important for future generations and conserves important historical material at the Greens Gunyah Museum. The Historical Society has partnered with the Foundation for Rural and Regional Renewal (FRRR) to enable tax effective fundraising to significantly expand the Museum into the adjacent Billabong Motors building. This will increase the display area enabling redesign and enhancement of the machinery displays utilising technology and storyboards. Funds raised through the appeal will also be used to make the museum accessible to all members of the public, as currently there is limited disabled access. This project supports heritage, tourism and local economic growth.
