**Bronze Sculpture & Memorial Scholarship**  
**OFFICIAL DONATION FORM**

*Donations are invited to the Greater Hume Community Fund of the Border Trust to recognise the historical contribution to agriculture by Headlie Taylor, Australia's greatest inventor in the field of agricultural machinery through two initiatives:*

- **A bronze sculpture of Headlie Taylor**, working at his anvil; produced by a recognised artist. The sculpture will draw attention to the Headlie Taylor Header Museum where, through the story of the invention of the header, the tourism experience is enriched. The sculpture will be a focal point on the Olympic Highway, and will become synonymous with Henty. *Fundraising Target \$100,000*
- **A memorial engineering scholarship** to perpetuate the endeavours of Headlie Taylor and his development of the header harvester. The scholarship will give annual renewal to the header story and the importance of the part a Henty farmer's son played in our agricultural history. *Fundraising Target \$50,000*

*All donations over \$2 are tax deductible.*
