## Pam Gunn Memorial Axedale Trust Project DONATION ACCOUNT

This project primarily seeks to assist disadvantaged young children in the Axedale region of Victoria. The Pam Gunn Memorial Trust will work in close collaboration with and through the Axedale Primary School and the Axedale Kindergarten to identify and counteract as far as possible the damage that disadvantage does to young children and as a result make their adult lives better and happier.

Pamela Gunn died at the early age of 44. She was born into a dislocated household, her mother suffering mental deficiency, her father in a de facto relationship from which Pam was pushed out to be fostered, to go from pillar to post, to miss out on normal privileges of primary education such as uniforms, camps etc. In adult life she set out to ensure as far as she was able that other children did not suffer the shortcomings that she had experienced.
