Canobolas Big Picture Academy Community Assistance Project

The Rotary Club of Orange Inc. is partnering with The Foundation for Rural & Regional Renewal (FRRR) to support the Canobolas Rural Technology High School in Orange NSW to fundraise to implement the Big Picture “Canobolas Academy”. This is a new design for schooling and learning within the existing school - focused on better supporting local youth who are currently disengaged with learning and at risk of discontinuing their education. The program aims to create students that are lifelong learners, productive and highly engaged with their schooling. It is proudly supported by the Sally Foundation.

Thankyou for giving a tax deductible donation towards the program.

Using this form to accompany your donation ensures a tax deductible receipt will be sent from FRRR to you.
