The Sally Foundation is partnering with The Foundation for Rural & Regional Renewal (FRRR) to deliver a small grants program to support charitable projects that directly benefit youth in the Orange region of NSW.

This program will build capacity to incorporate young people into the broader community through a variety of means including activities, mentoring, confidence and capacity building connecting older and young people and encouraging youth to have a voice that is heard.

Sally Foundation is making available \$15,000 each year for individual grants to community groups of up to \$2,500.

If you wish to help increase the grants available – please give a tax deductible donation towards the program and Sally Foundation will ensure 100% of such funds are used to increase grants available.

Using this form to accompany your donation ensures a tax deductible receipt will be sent from FRRR to you.
