

OFFICIAL DONATION FORM

SchoolAid’s purpose is to promote a world where Australian children live the values of care and compassion and so develop a lifelong sense of moral and social responsibility. SchoolAid enables and empowers primary school kids to make a tangible difference to the lives of other children - kids helping kids - through commitment and action. By participating in our programs, kids learn a sense of personal and social responsibility about the needs of others, and how the power of their actions can truly make a difference.

SchoolAid arms Primary school teachers with a full suite of learning and activity resources to readily engage students in active philanthropy, whilst reinforcing the values-learning benefits associated with their students' fundraising activities.

Your donation to Foundation for Rural and Regional Renewal’s SchoolAid Donation Account will enable SchoolAid to continue to develop its resource suite for teachers to support learning outcomes in the classroom, and build a national program of teacher engagement in philanthropy and values education.
