

UPPER MURRAY INNOVATION FOUNDATION OFFICIAL DONATION FORM
UPPER MURRAY RURAL SERVICES (UMRS)

The Corryong Neighbourhood Centre (CNC) (ABN 38 793 076 812), whose purpose is to support a socially connected, educated and sustainable community, established the Upper Murray Innovation Foundation (UMIF) (ABN 32 532 437 350) as a community foundation to provide facilities, funding and assistance for the provision of learning and skills development for people in need of direct support to find their way back to integration into the community.

Upper Murray Rural Services (UMRS) is the CNC's 2nd social enterprise venture, based on a locally developed model, to provide employment, training, community engagement and long term sustainability in a remote, rural region in North East Victoria.

Stage 1 of the UMRS project intends to purchase a declining local tractor repair business in Walwa, Victoria, re-invigorate and re-equip the premises to meet current requirements and expand the operations to include a comprehensive range of mechanical services. While operating as a viable business servicing a widespread rural population, the focus of the enterprise will be on providing quality training and skill development for local youth, fostering passion for work and learning and understanding community impacts.

The Foundation for Rural & Regional Renewal (FRRR) (ABN 27 091 810 589) is a charitable foundation based on a partnership between philanthropy, community, government & business. UMIF partners with FRRR to assist in the fundraising for the UMIF - UMRS Project as a charitable project in line with FRRR's purposes. Donations made into the FRRR Public Fund towards the UMRS project are tax deductible because of FRRR's tax status.

All donations to FRRR \$2.00 and above are tax deductible – www.frrr.org.au
