

FRIENDS OF HAMILTON BOTANIC GARDENS Inc

Foundation for Rural
& Regional Renewal

OFFICIAL DONATION FORM

The Heritage Reinstatement Project for the Hamilton Botanic Gardens is a component of the 2015 Masterplan, with the initial aim to redevelop the flight aviary and its surrounds, thus maintaining the zoological content that has been an integral part of the gardens since 1885. This is one of many projects aimed at the implementation of the Masterplan and will continue the Gardens' historical and cultural significance for the local and wider community.
