

## Country Universities Centre – North West

The Country Universities Centre North West (CUCNW) (ABN 46 631 728 104) is a not-for-profit organisation, established with the aim of making higher education more accessible for those living in the North West region. They are an affiliate centre of the Country Universities Centre (CUC) (ABN 17 617 676 347). One of the biggest challenges faced by country students is the absence of a 'campus' environment and its associated support and benefits. CUCNW is a study community, equipping students with the technology, facilities, academic and pastoral support they need to thrive. The funds raised will be used to enhance the student experience, enabling students to reach their full potential, and ensure support for the North West community into the future, over and above Government support. Please visit [www.cuc.org.au](http://www.cuc.org.au) for more information.
