

OFFICIAL DONATION FORM

ENOVA COMMUNITY ENERGY EDUCATION

Enova Community is the Not For Profit arm of Enova Community Energy Ltd. It is the arm of our community owned social enterprise that exists to carry out energy education and social benefit projects.

Through our energy education program we train volunteers to work in the community to assist householders to reduce their energy use and costs. Our volunteer Energy Coaches are available to carry out home energy audits and give tailored advice, and to give talks to community organisations. We are working to develop an online information hub/energy wiki to make the overwhelming array of energy information and tools available online more readily accessible.

We need your help to fund these costs until we can cover them through the profits of our energy retail arm.

You can make tax-deductible donations through The Foundation for Rural and Regional Renewal (FRRR). FRRR is a charitable Foundation with unique tax deductible status, which enables rural and regional communities to build social capital and economic resilience by utilising their DGR status, enabling people to make a tax deductible donation towards approved projects. FRRR has partnered with Enova to enable tax effective fundraising for this project. Completing this form ensures FRRR can provide you with a tax-deductible receipt for your gift.
