

OFFICIAL DONATION FORM

For the Rotary Mission Beach Inc. Water Park/Splash Pad Project

The Rotary Water Park/Splash Pad project will deliver a special place for children of Mission Beach to play with their families and friends. It will fill a gap for families of Mission Beach in relation to the lack of safe water play facilities in the area, due to no community swimming pool and the presence of deadly marine stinging jellyfish during the summer months. It will also offer an opportunity for visitors to experience the Water Park/Splash Pad facilities at the Mission Beach beachfront, bringing much needed visitor dollars to the area. This project is part of the cyclone Yasi recovery initiative for Mission Beach and supported by the Foundation for Rural and Regional Renewal (FRRR) with Deductable Gift Recipient (DGR) and Tax Concession Charity (TCC) status.
